EXPERIENCE

GAME DEVELOPER (INTERN)

The Game Strome Studios

Lahore | 1 month

In my game developer internship, I worked on real-world projects using Unity, contributing to gameplay, level design, and user interface. I gained valuable skills in debugging and optimization.

GRAPHIC DESIGNER

Fiverr

Online | 1 year +

As a freelance graphic designer, I collaborated with diverse clients worldwide, creating impactful designs and building a strong professional network.

DESKTOP SUPPORT ADMINISTRATOR & JUNIOR IT AGENT

Nixxe Solutions

Lahore | 2 years +

As a Desktop Support Administrator and Junior IT Agent, I provide technical support, resolve issues, and contribute to a smooth IT operation.

REACT.JS HIGHLIGHTS

- Familiarity with core concepts, such as components, JSX syntax, and state management.
- Ability to work with React props to pass data between components.
- Knowledge of handling events and incorporating event handlers in React.js applications.
- Proficient in using React hooks, such as useState and useEffect, to manage state and side effects.
- Experience in building simple UIs and layouts using React.js.
- Basic understanding of routing in React.js applications with React Router to create single-page apps (SPAs).
- Knowledge of how to integrate external libraries and packages into React.js project.
- Basic understanding of asynchronous operations and making API calls in React.js applications.
